

BSK78 SUNBLOCK COLOUR CREAM SPF50+ HIGH PROTECTION

ACTION

BSK78 SUNBLOCK COLOUR CREAM SPF50+ provides UVB/UVA protection. Formulated with a combination of natural-origin physical filters, it has a pleasant texture, is quickly absorbed and provides a transparent finish with a touch of colour to match your skin tone. Suitable for all skin types, especially very light and/or sensitive skin.

HOW TO USE

Before sun exposure, apply generously on dry skin (face, neck and décolleté) ensuring its correct distribution and absorption. It can be used daily all year round after the usual treatment. Repeat the application of the product frequently, especially after perspiring, bathing or drying. Avoid contact with eyes and mucous membranes. Avoid long exposure to the sun in the middle of the day. Keep babies and young children out of direct sunlight.
