

BSK79 SUNBLOCK CREAM SPF50+ HIGH PROTECTION

ACTION

Sunscreen fluid with UVB/UVA protective action. Formulated with a combination of natural origin physical filters, to guarantee maximum daily protection against sun negative effects, providing comprehensive care to blemished and/or photo-aged skin. With a pleasant texture, fast absorption and transparent finish. Indicated for all skin types, very light and/or sensitive skin.

HOW TO USE

Before sun exposure, apply generously to dry skin (face, neck and décolleté) ensuring proper distribution and absorption. It can be used daily all year round after the usual treatment. Repeat the application of the product frequently, especially after perspiring, bathing or drying off. Avoid contact with eyes and mucous membranes. Avoid long sun exposure in the central hours of the day. Keep babies and young children out of direct sunlight.
