

BSK7 BRIGHTPRO

REVITALIZING & LIGHTENING SOLUTION

WHAT IT IS?

Sterile solution formulated with 1600 mg/vial of high quality glutathione, reinforced with C vitamin and three molecular weight hyaluronic acid.

Illuminates and moisturizes skin to soften age imperfections.

Helps skin prone to dark spots and uneven skin tone, often exasperated by exposure to sunlight.

It is a depigmenting treatment solution that brightens the skin and combats age-related changes in the dermis.

It is a sterile solution for professional use.

HOW TO USE

Apply on the area to be treated, giving a light massage until product complete absorption.
