BSK1 MULTIPEPTIDES HA

Skin care Bio-Revitalization Solution | 5 x 10 ml

Skin care solution with 13 vitamins, 20 amino acids, 2 co-enzymes, 8 minerals, 5 peptides and high, medium and low molecular weight hyaluronic acid, with revitalizing action. It contains antioxidants, protective and moisturizing agents that help to restore the skin.

BSK2 FIRMPRO

Skin care Firming Solution | 5 x 10 ml

Skin care solution with DMAE, organic silicon, panthenol, high, medium and low molecular weight hyaluronic acid, and B1 vitamin to define facial oval and skin sagging. Firming, Antioxidant and Moisturizing.

BSK3 BOTOPEPTIDES

Skin care Smoothing Wrinkles Solution | 5 x 10 ml

Skin care solution rich in peptides, acetyl octapeptide-3 and pentapeptide-18, which act against expression lines. Reduces wrinkle depth due to its concentration of peptides.

BSK4 REVITALFTPRO 20

Skin care Revitalization & Firming Solution | 5 x 10 ml

Skin care solution rich in three molecular weights hyaluronic acid, acetyl octapeptide-3 & pentapeptide-18, B5, PP and B1 vitamins, DMAE and organic silicon. Formulated as a balance to have a revitalizing, moisturizing and firming effects on the skin.

BSK5 HYALURONIC ACID 3%

Skin care Moisturizing & Regenerating Solution | 5 x 5 ml

Skin care solution with 150 mg of three molecular weight hyaluronic acid, for treatment of fine lines and wrinkles, moisturizing dry skin and acting against age-related skin changes. Cellular matrix restoration. Expression lines and wrinkles reduction, intense moisturizing and elasticity.

BSK6 PDRN PRO

Skin care Repairing and Moisturizing Solution | 5 x 5 ml

Skin care solution formulated with deoxyribonucleic acid extracted from salmon roe and low, medium and high molecular weight hyaluronic acid. Antioxidant, protective and moisturizing action. It helps to restore the extracellular matrix by reducing age symptoms.

BSK7 BRIGHTPRO

Skin care Revitalization & Lightening Solution | 5 x 10 ml

Skin care solution formulated with 1600 mg/vial of high quality glutathione, reinforced with C vitamin and three molecular weight hyaluronic acid. Illuminates and moisturizes skin to soften age imperfections.

BSK8 SCARPRO

Skin care Repair Solution | 5 x 10 ml

Skin care solution with ingredients that help to repair after acne and age skin imperfections. Acts at epidermis level, performing a smooth superficial peeling. HA Cube 3®, Witch Hazel, Calendula, Ginkgo Biloba, Acid Complex, Melilotus, Asian Spark, Artichoke and Rutin.

BSK9 HAIRPRO

Revitalizing Hair care Solution | 5 x 10 ml

Hair care formulated with 5.490 million stable exosomes/vial, organic silicon, Ginkgo Biloba Leaf Extract, Panthenol, GABA Tripeptide, multivitamin complex and minerals, Centella Asiatica Extract, hyaluronic acid and peptides, for revitalizing hair.

BSK10 LIPOPRO

Lipolytic Reducing Body Skin care | 5 x 10 ml

Body skin care solution with caffeine, L-carnitine, organic silicon and a combination of natural extracts. Reduces the appearance of orange peel skin. Improves microcirculation, helping to accelerate lipolysis.

BSK11 AMPELOPSIM

Lipolytic Reducing Body Skin care | 5 x 10 ml

Body skin care solution formulated with ampelopsin (Dihydromyricetin), for prevention, treatment and maintenance of fat accumulation in adipose tissue. It acts on lipogenesis, lipolysis and adipogenesis, acting against visible cellulite symptoms.

BSK12 REDUPRO

Cellulite Reducing Body Skin care | 5 x 10 ml

Body skin care with L-carnitine, Centella Asiatica extract and organic silicon for the treatment of visible symptoms of cellulitis. Improves microcirculation, accelerating intracellular lipolysis against visible cellulitis symptoms.

BSK13 AGEPRO

Skin care Aging solution | 5 x 10 ml

Skin care solution with DMAE, high, medium and low molecular weight hyaluronic acid, organic silicon, peptides, acetyl octapeptide-3 and pentapeptide-18, thiamine, zinc and magnesium, for treatment of punished and dry skins, it helps to fight fine wrinkles and folds.

BSK14 TRANEX PRO

Skin care Depigmenting Solution | 5 x 5 ml

Skin care solution with tranexamic acid, kojic acid, ascorbic acid (c vitamin), nicotinamide, rutine and high, medium and low molecular weight hyaluronic acid, with moisturizing and depigmenting action.

BSK28 BUTT-UP PRO

Shaping Body care Solution for the Definition of Buttocks | 2 x 10 ml

Body care solution formulated with amino acids, vitamin C and B12, high molecular weight hyaluronic acid (35 mg / vial) and DMAE that favors the redefinition of the gluteus.

BSK29 BIOPLAX PRO

Skin care DNA-Revitalizing Solution | 5 x 10 ml

Skin care solution formulated with deoxyribonucleic acid extracted from salmon roe reinforced with 13 vitamins, 20 amino acids, 2 co-enzymes, 8 minerals, 5 peptides and high, medium and low molecular weight hyaluronic acid, with revitalizing action.

BSK30 ADIPRO

Lipolytic Reducing Body Skin care | 5 x 5 ml

Body skin care solution with caffeine, L-carnitine, organic silicon and a combination of natural extracts. Reduces the appearance of orange peel skin. Improves microcirculation, helping to accelerate intracellular lipolysis.

BSK31 LIPS SHINE PRO

Lips Treatment for Wrinkles and Firming | 5 x 5 ml

Product formulated with hyaluronic acid of high molecular weight, peptides that act by improving volume and smoothing expression lines around the lip, redefining the lip contour, vitamins that improve lips aspect and Ginkgo Biloba that makes the lips pinker.

BSK32 EYE PRO CONTOUR

Reduces Eye Bags, Dark Circles & Expression Wrinkles | 2 x 3 ml

Skin care solution formulated with caffeine, organic silicon, hyaluronic acid of three molecular weights and artichoke extract, to drain and thus reduce bags, as well as visually reduce expression wrinkles.

BSK33 HYALURONIDASE 1500 UI PRO

Lyophilized Powder | 1 Vial x 1500 UI

Lyophilized powder with 1500 IU. Reconstitute with saline solution.

BSK35 HYALURONIDASE PRO LIQUID

Skin care Hyaluronidase Solution | 5 x 10 ml

Hyaluronidase is a protein enzyme that modifies tissue permeability through the hydrolysis of hyaluronic acid. Its action prevents the accumulation of glycosaminoglycans such as hyaluronic acid that cause water retention and allows the retained fluid to be eliminated favorably.

BSK36 COLLAGEN-HA PRO

Regenerating / Antioxidant | 5 x 5 ml

Formulated by combining succinic acid, collagen of marine origin and hyaluronic acid of three molecular weights. The combination of succinic acid and collagen is beneficial for fighting signs of aging, improving elasticity, regenerating the skin and keeping it hydrated and smooth.

BSK15 NATURAL EXTRACTS

Natural Reducing Body Skin care | 10 x 5 ml

Body skin care solution formulated with a natural extracts mixture indicated for the treatment of visible symptoms of localized cellulite. Pronounced lipolytic effect on cellulite and localized fat deposits, improvement in skin appearance and reduction of visible cellulite symptoms.

BSK16 CAFFEINE 10%

Body Skin care Bioreducing Solution | 10 x 5 ml

Body skin care solution of caffeine, indicated for the treatment of visible symptoms of localized cellulitis. It acts on oxidation of fatty acids indirectly, after the elimination of excess glucose, with a pronounced lipolytic effect on cellulite and localized fat deposits.

BSK17 DMAE

Skin care Firming Solution | 10 x 5 ml

Skin care solution with DMAE 3%. The external application of DMAE increases the firmness, improves the elasticity and luminosity of skin, which helps to reduce the appearance of lines and wrinkles while illuminating and minimizing imperfections. Indicated for dull skin and flaccid skin.

BSK18 HYALURONIC ACID 1%

Skin care moisturizing & Regeneration Solution | 10 x 5 ml

Skin care solution with Hyaluronic Acid (50 mg) of three molecular weights for treatment of fine lines and wrinkles, hydrating dry skin and combating skin changes related to age. Restoration of cellular matrix. Reduction of lines and wrinkles, intense hydration and elasticity.

BSK19 L-CARNITINE

Body Skin care Reducing Solution | 10 x 5 ml

Body skin care solution with L-carnitine and tea extract rich in polyphenols and methylxanthines, for treatment against the visible symptoms of cellulite and local fats. Pronounced lipolytic effect on cellulite and localized fat deposits, improvement in skin appearance and reduction of visible cellulite symptoms.

BSK20 MELILITO + RUTINA

Drainage Body Skin care Solution | 10 x 5 ml

Body skin care solution formulated with Meliloto extract, rich in flavonoids and coumarins, combined with rutine. Improves local microcirculation, reducing of visible cellulite symptoms.

BSK21 PHOSPHATIDYLCHOLINE

Body Skin care Lipolytic Solution | 10 x 5 ml

Phosphatidylcholine body skin care solution. It acts on localized fat promoting its elimination, reducing visible symptoms of cellulite.

BSK22 SILANOL 1%

Bioactive Solution | 10 x 5 ml

Skin care solution formulated with Organic Silicon. Cutaneous restructuring, body firming, lipolytic, facial and body moisturizer. Organic silicon restructuring activity helps to maintain mechanical properties of the skin such as elasticity, firmness but also maintains optimal cellular metabolic efficiency.

BSK23 ARTICHOKE EXTRACT

Detoifying Body Skin care Solution | 10 x 5 ml

Body skin care solution formulated with 2% artichoke extract. Promotes microcirculation and decreases the visible effects of cellulite.

BSK24 VITAMIN C 20%

Skin care Aging & Shining Solution | 10 x 5 ml

Skin care solution formulated with 20% vitamin C. Powerful antioxidant and free antiradicals action with illuminating effect. Skin aging preventive activity.

BSK70 MELAN PRO

Lightening cream | 50 ml

Treatment cream for skin hyperpigmentation, formulated with 0.5% Dimethylmethoxy Chromanyl Palmitate with immediate action to unify tone skin. This active ingredient is not photosensitive, so it can be used during the day. With photoprotective effect.

BSK71 C+E VITAMIN GEL CREAM

Antiage Cream with Vitamin C+E | 50 ml

Antioxidant cream-gel containing Vitamin C and E for an amazing brightening effect. Helps combat the first signs of aging and has the capacity of neutralize free radicals and regenerate the cell membrane.

BSK72 FIRMING CREAM

With Epidermic Growth Factor Stimulators (EGF) | 50 ml

Firming Cream offers a complete treatment fusing Dermocomal 2% and Gatuline® Intense 2%. It quickly reorganizes collagen fibers and visibly smoothes the skin. Attenuates wrinkles and loss of firmness and avoid the appearance of lines, grooves and folds in the skin.

BSK73 DMAE + HA CREAM

Firming Moisturizer | 50 ml

Contains 3% of DMAE reinforced by Hyaluronic Acid so we see an immediate lifting effect that stretches and tightens the skin smoothing wrinkles. It is conveyed in an o/w emulsion made with similar sebum oils that confer softness to the skin and glucosidic emulsifiers.

BSK74 MULTIVITAMIN SERUM

Brightening Serum with Vitamins & Proteoglycan | 30 ml

The main components of this new multivitamin serum are vitamin C, E and F, reinforced with the moisturizing action of proteoglycans. It is indicated for dull skin, with signs of fatigue or with irregularities in pigmentation or texture.

BSK75 ANTI-WRINKLE CONCENTRATE SERUM

With Organic Silicon, Hyaluronic Acid and DMAE | 30 ml

At different levels of the skin & with a high concentration of active ingredients that stimulate the neosynthesis of the extracellular matrix, reducing wrinkles. Antioxidant, restructuring & moisturizing properties that increase firmness & elasticity, offering a highly effective treatment to erase even the deepest wrinkles.

BSK76 TRANEX PRO SERUM

Depigmenting Intensive Serum | 30 ml

Serum rich in hydration and nutrition, which thanks to its content in ursolic acid and silymarin, participates in the mechanisms of inflammation by inhibiting the synthesis of prostaglandins in addition to functioning as a protector of the cell membrane, preventing interaction with irritants.

BSK77 TRANEX PRO CREAM

Depigmentant Intensive Cream | 50 ml

Cream formulated with BSK14 and biotechnological depigmenting active ingredients, reinforced with Tranexamic Acid to inhibit tyrosinase activity. Works synergistically with BSK76 Tranexpro Serum for optimal prevention, suitable for all skin types.

BSK78 CREMA FOTOPROTECTORA SPF50+

High Protection | 15 ml & 50 ml

Sunscreen fluid offers UVB/UVA protection with natural filters for daily sun protection, addressing blemishes and photo-aged skin. Features a pleasant texture, fast absorption, transparent finish with color-match option. Suitable for all skin types, including light/sensitive.

BSK79 SUNBLOCK CREAM SPF50+

Sunblock Cream SPF50+ High Protection | 50 ml

Sunscreen with UVB/UVA protection using natural filters for daily sun protection for blemished and/or aging skin. Lightweight, fast-absorbing, transparent finish suitable for all skin types, including sensitive skin.

BSK89 GLYCOLIC GEL 20%

Glycolic Peeling | 300 ml & 50 ml

Alpha hydroxy acids eliminate superficial dead cells (corneocytes) with a micro-peeling action on the stratum corneum of the skin, in addition to increasing the degree of hydration of the epidermis due to its moisturizing properties.

BSK90 CLEANSER FOAM

Soft Cleansing Foam | 150 ml

This formula leaves skin feeling clean and fresh, ready to tone with the right product for your skin type. Soft and fine foam, for deep cleaning of all skin types. Gently cleanses removing dirt, makeup and remnants of skin secretions.

BSK91 CLEANSER MILK

Neutral Cleansing Milk | 500 ml

Formulated from oils and moisturizing substances, this emulsion cleanses skin deeply, removing impurities and makeup without irritation. Maintains skin's natural balance, suitable for all skin types.

BSK92 AHA TONIC

With Alpha Hydroxy Acids | 500 ml

Aqueous solution formulated with orange blossom water and plant extracts rich in alpha hydroxy acids, with hydrating, astringent and refreshing properties. Contains alpha hydroxy acids.

BSK93 POST-MESO CREAM

After-treatment cream | 300 ml & 75 ml

Cream containing a mix of natural ingredients like Silybum marianum, Tulsi, Enteromorpha compressa, Arnica, Horse Chestnut, Hamamelis, Ivy, Hypericon, and Red Vine to combat cuperosis and boost circulation.

BSK94 INTIM WHITENING CREAM

Intim Depigmenting Cream | 50 ml

Depigmenting cream with biotechnological ingredients and Diacetyl Boldine, Dimethylmethoxy Chromanyl Palmitate, Kojic Acid, and Arbutin inhibits tyrosinase activity, eliminates stains, and prevents future ones. Works in difficult areas, suitable for all skin types.

BSK95 EYE-CONTOUR PRO

Eye Contour Cream-gel Texture | 15 ml

Eye contour cream with a gel texture that is quickly absorbed, fresh, and suitable for all skin types. Contains peptides to combat expression wrinkles and bags under the eyes, along with whitening agents for dark circles, providing a luminous, youthful appearance.

BSK96 AKNICARE FOAM

Acne-prone Cleansing Foam | 100 ml

Soft and fine foam for deep cleansing of all skin types, especially acne-prone skin. Gently cleanses removing dirt, makeup and remnants of skin secretions. It is applied morning and night, with light circular movements, remove with warm water. To complete the cleansing, it is recommended to use a suitable facial toner.

BSK800 PEELING KIT

BSK80 - Peelpro Cocktail Hard | 50 ml
BSK81 - Peelpro Cocktail Medium | 50 ml
BSK82 - Peelpro Cocktail Soft | 50 ml
BSK87 - Peelpro Brightening | 50 ml
BSK88 - Peelpro Neutralizing Lotion | 50 ml

BSK800 is a professional kit to improve any type of skin. Is a treatment to correct skin discoloration associated with alterations in melanin pigmentation. Produces an epidermis renewal, eliminating the middle, superficial layers, helps the regeneration of new tissues and the disappearance of pigmentary discoloration, actinic alterations.

BSK80 PEELPRO COCKTAIL HARD

High concentration chemical peel | 50 ml

It reduces the thickness of the stratum corneum, reducing corneocyte cohesion. Diminishes fine lines and wrinkles. It improves the elasticity of the skin and the collagen support structure. It removes dead cells from the upper part of the skin and reduces superficial changes in pigment: aging and sun spots. Smooth and soft skin. Unclog pores cleanse acne. Reduces pore size and normalizes oil production. Increases the skin's ability to retain moisture. Promotes rapid cell turn over.

BSK81 PEELPRO COCKTAIL MEDIUM

Medium chemical abrasion peel | 50 ml

It reduces the thickness of the stratum corneum, reducing corneocyte cohesion. Diminishes fine lines and wrinkles. It improves the elasticity of the skin and the collagen support structure. It removes dead cells from the upper part of the skin and reduces superficial changes in pigment: aging and sun spots. Smooth and soft skin. Unclog pores cleanse acne. Reduces pore size and normalizes oil production. Increases the skin's ability to retain moisture.

BSK82 PEELPRO COCKTAIL SOFT

Soft chemical abrasion peel | 50 ml

It reduces the thickness of the stratum corneum, reducing corneocyte cohesion. Diminishes fine lines and wrinkles. It improves the elasticity of the skin and the collagen support structure. It removes dead cells from the upper part of the skin and reduces superficial changes in pigment: aging and sun spots. Smooth and soft skin. Unclog pores cleanse acne. Reduces pore size and normalizes oil production. Increases the skin's ability to retain moisture. Promotes rapid cell turnover.

BSK83 PEELPRO CLEAR

Chemical abrasion peel | 50 ml

Alpha & Beta Hydroxy Acids and depigmenting active ingredients. The combination of the exfoliating effect of alpha and beta hydroxy acids with the inhibiting activity of tyrosinase, as well as the inhibition of melanin formation, make it a perfect product for the treatment of non-homogeneous hyperpigmentation due to sun exposure, localized melasma or hormonal pigmentation.

BSK87 PEELPRO BRIGHTENING

Chemical peel | 50 ml

Ferulic Acid has the ability to fight free radicals and at the same time increase the effectiveness of other antioxidants, such as Vitamins A, C and E. It improves the elasticity of the skin and the supporting structure of collagen. Removes dead cells from the upper part of the skin and reduces superficial changes in pigment and sun spots... Increases the skin's ability to retain moisture.

BSK88 PEELPRO NEUTRALIZING LOTION

Neutralizing Lotion | 50 ml

It's a neutralizing solution with Aloe Vera that increases the pH of the skin to counteract the aggressive effects of acids after the application of a peel. It is recommended to apply it to the skin to neutralize residual acids after removing the product as indicated on the PEELPRO product use sheet.

HOME CARE & PROFESSIONAL KITS CATALOGUE

BSK200 MELANPRO DEPIGMENTING KIT

BSK84 - Peelpro Inwhitening | 30ml
BSK88 - Peelpro Neutralizing Wipes x3
BSK104 - Melan Pro Cream | 50 ml
